

## ATTENTION RECYCLERS

There are three [3] Solid Waste and Recycling sites in Oglethorpe County:

- Simston District Community, located on Centerville Road, one mile south of the Elberton Road
- Devils Pond Community, at the intersection of Devils Pond Road and Crawford Smithsonia Road
- C&D Landfill, on Athens Road between Lexington and Crawford

These Sites are for the use and convenience of Oglethorpe County citizens **ONLY**. When you take your recyclables to one of these centers, you should follow these easy steps to properly dispose of them:

- Separate before you bring them.
- Make sure that only those items allowed to be recycled are brought to the center. Non-permitted items found in the recyclables will result in a higher cost to the county and will cause the ACC Recycling Center to reject the load. These non-permitted items should be put in a green bag.
- Ensure that the correct item goes in the proper container. Each container is marked as to what goes in them. If unsure about anything please ask attendant.

You can combine all of your paper items.

### Paper items include:

1. Newspapers & Inserts
2. Magazines & Catalogues (Please remove any plastic wrap)
3. Brown paper bags
4. Office paper-copy paper, letterhead, computer printouts, slick and glossy paper, envelopes, colored paper.
5. Cardboard & Paste board
6. **PLEASE** – no carbon paper, paper plates, napkins, paper towels or tissue. These should be put in a green bag.

You can also combine all of your container items.
